From Tracy Coskie to Everyone: 04:27 PM

Puts that cost on the backs of students.

Actually, I was saying that edTPA puts the cost on students.

From Julia M. Aguirre to Everyone: 04:28 PM

And the issue of a high stakes performance assessment doesn't go away if edTPA goes away. Institutions will have create passing thresholds.

From Carey Kirkwood to Everyone: 04:28 PM

When can we anticipate a response from the Governor and the covid related suspension of edtpa

From Julia M. Aguirre to Everyone: 04:29 PM

Is it a good idea for us to pay attention to the education committee discussion? What is our strategy here?

From Teddi M. Beam-Conroy, UW Seattle to Everyone: 04:30 PM

Discussion regarding vaccinating teachers? We really should be weighing in on that and about our candidates as well.

From Tariq Akmal, WSU (he, him) to Everyone: 04:31 PM

Good point, Teddi. Please ask your institution to push for this through Council of Presidents. All public institutions should. Independent (Private) Colleges please push for this through ICW.

From Teddi M. Beam-Conroy, UW Seattle to Everyone: 04:32 PM

Will do!

From Mary Jo Larsen-PLU to Everyone: 04:32 PM

Our group brought vaccinations up to the legislators we met with today. You can send communication to the senators and representatives for where you live and where you work if they are different.

From Bruce Larson to Everyone: 04:33 PM

Will the majority voice be represented as a consensus or will it be presented that WACTE is a bit divided on this? If we are being represented then it is best to give percentages on both sides of the issue

and his wife is an educator

From Matt Coulter WSU to Everyone: 04:35 PM

Follow up question to Bob.. Any comparison in regard to what other states are doing with the edTPA? That had previously been a selling point of uniformity among states.

From Tariq Akmal, WSU (he, him) to Everyone: 04:35 PM

Bruce, in my experience, any time we are not unanimous or close to it, we indicate that we are not unanimous and have some differences. Good suggestion for consideration.

From James Kozinski to Everyone: 04:36 PM

Utah has given that option of an EPP developing their own pedagogical performance assessment, but no Utah EPP has done it.

From Selma (she, her, hers)--UW-Seattle to Everyone: 04:37 PM

EdTPA is not used in every state. <http://edtpa.aacte.org/state-policy>

From Bruce Larson to Everyone: 04:37 PM

Thanks, Tariq. I am only hearing commentary against the bill

Bob, can you adequately represent the minority view if asked?

From Bob Cooper (WACTE) to Everyone: 04:41 PM

yes. I always try to emphasize (if there is a minority view) that the WACTE position is not unanimous and give a rough split as to where members are.

From Mary Jo Larsen-PLU to Everyone: 04:42 PM

We will have further time to dig into the issues Megan just shared about field placements tomorrow afternoon. This is a great preview.

From Bruce Larson to Everyone: 04:44 PM

Thank you. I think the narrative that supports this bill is important to have in mind, in addition to the % break downs.

From Selma (she, her, hers)--UW-Seattle to Everyone: 04:46 PM

@ Bob Cooper, can you state again what court is going to hear the case of Bellevue school district suing the Bellevue teacher's union

From Teddi M. Beam-Conroy, UW Seattle to Everyone: 04:48 PM
