And supervisors for the vaccination.

From Mary Jo Larsen-PLU-she/hers to Everyone: 01:18 PM

Sue-Bob has brought that forward. I believe Council of President's is as well and we have asked our university president to ask ICW to lobby for it as well. I believe they got nursing students included so we're hopeful.

From Emily Ezpeleta - Seattle U edTPA to Everyone: 01:32 PM

a list of what schools are currently doing in regards to field placement. how are candidates getting their hours? a chance to collaborate and discuss current practices, even just in list form.

From Susan Gray-CityU (she/her) to Everyone: 02:25 PM

They can always prepare for it and record their lessons but not pay for it yet. Then at least they have the materials they need.

From Emily Ezpeleta - Seattle U edTPA to Everyone: 02:26 PM

Will they be able to get refunds if they have already paid for it?

From Susan Gray-CityU (she/her) to Everyone: 02:26 PM

That is a question I had as well - haven't asked it yet until we hear back from Inslee and/or about whether HB 1028 passes.

From Mike Winkler to Everyone: 02:27 PM

My thought is that it is currently the law and until told otherwise we need to be prepared to submit it. If the bill fails and the edTPA stays there won't be time for students to get it done. Just my thoughts.

From Carey Kirkwood UW Tacoma to Everyone: 02:28 PM

and as private citizens we can ask Inslee to respond to the 30 day reprieve request sooner than later.

From Bryan Carter - CityU (he/him) to Everyone: 02:28 PM

I have suggested to some of our candidates, based on preference, they push edTPA to next year in a live setting using emergency cert, which can take some of that stress off.

From Jan Weiss-PLU to Everyone: 02:28 PM

I teach a seminar to alt. Route candidates and include some edTPA support, so I will still keep that and focus on the idea of best practices embedded in the prompts.

From Emily Ezpeleta - Seattle U edTPA to Everyone: 02:29 PM

@Bryan...but then we have the students who are already on the emergency cert who understand they HAVE to do the edTPA this year if they want to keep their jobs. How can we help them?

From Bryan Carter - CityU (he/him) to Everyone: 02:29 PM

They can be granted another year extension, per PESB.

From Leanna Aker-City U (she/her) to Everyone: 02:29 PM

@emily, emergency certs \*can\* be renewed one more year...not a clean solution, but

From Bryan Carter - CityU (he/him) to Everyone: 02:30 PM

Agreed, not clean, but may be the best of many not so good options under tough circumstances.

From Emily Ezpeleta - Seattle U edTPA to Everyone: 02:30 PM

Thank you - That is helpful

From Bethany Moffatt to Everyone: 02:33 PM

thank you so much!

Thanks everyone
